At Fun Valley Resort, you can walk to the dining room, your living accommodations and the dance hall! Your vacation package includes three delicious meals each day — including Texas-style BBQ brisket, sirloin steak, rainbow trout and baked chicken, along with fresh salads, fruit, homemade desserts and more. We offer daily square and round dance workshops and nightly party dancing, along an evening snack. Our theme night for 2018 is the “Roaring 20s,” and you won’t want to miss our country-western after-party dance and the hilarious miniature golf tournament. You’ll also enjoy a group sightseeing trip to the quaint and beautiful town of Creed. *Please consider joining us for a true, American square dance vacation!*
